## Château Thibault

## The Harbor

The Harbor is perfectly centered at the tip of the peninsula where the sunset falls on the lake. It is a breathtaking ceremony location for both intimate and grand weddings. The Harbor features a paved isle with in-ground lighting, and an elegant wooden arbor structure.

## Vintner's Lounge & Patio

---

Just steps away from the Harbor, the Vintner's Lounge serves as a chic, rustic space for intimate gatherings adjacent to an expansive patio for larger crowds. This space is the perfect setting for cocktail hour, featuring a large black cement bar with a tile marble facade, and a copper-paneled ceiling.

With sweeping views of Lake Chesdin, The Vintner's Lounge can seat up to 80 guests, making it an ideal location for rehearsal dinners.

# Château Thibault

---

When the Thibault family bought this century-old farm, they were captivated by this rundown farmhouse that was built in the 1860s. While it was in bad shape at the time, they saw the potential it had and transformed the home into a rustic, modern-day farmhouse.

This newly renovated 5 bedroom, 5.5 bathroom house is now our Château Thibault. It's what makes Riverside Vines the perfect wedding getaway. Château Thibault serves as the ideal location for bridal parties, families, and out-of-town guests to enjoy your magical weekend.

# The Marquee

---

The Marquee is our clear roof structured tent. It provides an elegant and timeless space for your reception. We offer wood farmhouse tables that can be dressed up or down, and chairs for your guests. The Marquee is weather flexible as it can be fully enclosed during inclement conditions or opened up to expose the lake breeze if desired, making it a great ceremony spot in any condition.
